<b>DAY 1: Coach Welcome</b>	<p>Hi Coaches! I am super excited to help you launch your business. It's always exciting to start something new. Over the next 60 days I am going to give you some great tips, tools, and techniques that will build your business and teach you the 3 Vital Behaviors of a successful Coach. I have created this page for us to share our experiences and hold each other accountable. Please plan to participate every day so you don't miss out on the daily post! I love comments and questions, so post away! Since it is day 1, please share a little bit about yourself, what is your favorite fitness program, how did you do with the 7-Day Quick Start, what was your biggest take-away from the Beachbody Challenge Group Training Videos? I can't wait to see what you all say!</p> <p><b>Pull out your calendar and block time in your schedule every day to participate in this group.</b></p>	<ul style="list-style-type: none"> <li>- Make sure that everyone reviews and understands the group expectations outlined in the Coach Basics Participant Guide.</li> <li>- If possible conduct the "Getting to know you" portion on this day via a Conference Call or Google+ to make it more personal and help everyone connect on a deeper level.</li> </ul>
<b>DAY 2: Role of Coach</b>	<p>So why did you decide to be a Coach? What part of being a Beachbody Coach are you passionate about? You know, your deep meaningful reason ... Just like in fitness challenge groups, the people who can connect with their emotional why, never quit! Let us know the reason why you will not quit! BTW – you can post a video response if you want to as well!</p> <p><b>Write out the reason you became a Beachbody Coach in 5 sentences or less. Get personal!</b></p>	<ul style="list-style-type: none"> <li>-Not everyone likes to post publicly on Facebook and it's important to understand that you will be working with people who have different comfort levels with various modes of communication. Don't view lack of posting as a lack of interest. Pick up the phone and reach out to Coaches who do not seem to be posting in the group.</li> </ul>
<b>DAY 3: 3 Vital Behaviors</b>	<p>At Beachbody we know the secret to success! It's simple; follow the 3 Vital Behaviors EVERY DAY. <a href="http://tbbcoa.ch/3VitBeh">http://tbbcoa.ch/3VitBeh</a></p> <p>1: INVITE. INVITE. INVITE. Invite to be a friend first. Invite to your general health Facebook or free fit club page. Invite to your Challenge Group. Watch this short video about inviting. <a href="http://youtu.be/lklIWgw6e9c">http://youtu.be/lklIWgw6e9c</a>. All it takes is talking to people with the intent of helping them. Use the 5-Step Invitation Guide <a href="http://tbbcoa.ch/InviteGuide">http://tbbcoa.ch/InviteGuide</a> and follow the 5 steps to invite to a Challenge Group. then The Invitation Guide gives you a proven step-by-step process to invite <u>and fill</u> your Challenge Group spots.</p> <p>2: Be Proof the Products Work. You can't expect someone to join a Challenge Group if you're not in one yourself. You don't have to have an amazing transformation story; you just need to be on your journey. What Challenge Group are you in?</p> <p>3: Personal Development. To improve your business you need to improve yourself. Get started with reading The Compound Effect every day. What page are you on?</p> <p><b>Print off the 3 Vital Behaviors PDF that is found in the Coach Online Office and post it near your workstation or desk.</b></p>	<ul style="list-style-type: none"> <li>- Take time to clarify any questions about the 3 Vital Behaviors. It's crucial that everyone understands the behaviors, knows the importance of them, and knows how to implement them.</li> </ul>
<b>DAY 4: Managing Challenge Groups</b>	<p>Are you worried about leading your own Challenge Group? Don't be! Beachbody has you covered! They created Challenge Group Guides for every program! They are all located in the Coach Online Office and all you do is copy and paste the daily posts into your private Facebook Group page. (<a href="https://www.facebook.com/help/groups/basics">https://www.facebook.com/help/groups/basics</a>)</p> <p>Just follow along with the guide and schedule the time to post each day. So go ahead and follow up with all those people who responded when you went public with a Challenge Group date on the 7-Day Quick Start. Got questions- I've got answers, ask away. You got this! Share with everyone the date and fitness program for your first Challenge Group.</p> <p><b>Make a list of your top 3 fitness groups or Challenges that you want to lead or participate in.</b></p>	<ul style="list-style-type: none"> <li>- Answer questions about the Beachbody Challenge Guides and make sure everyone understands how to create a private Facebook group page.</li> <li>- Always give the option to your Coaches who may not be ready to host their own Challenge Group to invite their customers/Coaches into yours until they feel confident to lead their own.</li> </ul>

<p><b>DAY 5: Goal Setting</b></p>	<p>Does the word GOAL scare you? Yeah, it used to scare me too. But geez, you have to have a destination before you get in the car and drive, right? The Business Activity Tracker (BAT) helps you outline and track your goals. Here's what it looks like again: <a href="http://tbbcoa.ch/BAT_2013">http://tbbcoa.ch/BAT_2013</a>. And don't forget to get a refresher with the video: <a href="http://youtu.be/sWlzPDPutm4">http://youtu.be/sWlzPDPutm4</a> One of the best ways for me to help you is for you to share your weekly BAT with me. It is easy to open it up, save it on your desktop, fill it in (remember to save it) and then send it to me. OR – you can print off 8 copies, fill it in each week (on Thursday) and then just text me a picture of it. Hey, I am flexible with how I receive it, but turning it in is not optional. Believe me, you will thank me at the end. Who has already filled in their BAT?</p> <p><b>Download the Free Adobe Reader on your computer. You will need the updated version in order to properly use and save the Business Activity Tracker.</b></p>	<ul style="list-style-type: none"> <li>- Make sure everyone knows how to fill in the BAT electronically and clarify any questions they may have about the form.</li> <li>- You can also use Google Drive as an easy alternative to create and share documents. You can upload the BAT and your Coaches can update it daily.</li> </ul>
<p><b>DAY 6: Personal Development</b></p> <p><b>DAY 7: Google +/ Conference Call Recognition &amp; Celebration</b></p>	<p>Getting to Emerald is a milestone every new Coach should have as a goal and that is why it is one of the goals of this program. Listen to this call by a top Beachbody Coach, David Ingram on one of the National “Wake-Up” Calls. <a href="http://tbbcoa.ch/WakeUpCall_4_15_13">http://tbbcoa.ch/WakeUpCall_4_15_13</a> You will see that getting to Emerald is not that far from your reach and just makes sense!</p> <p><b>Who in your life would benefit from Shakeology and joining you as a Coach? Make a list of at least 10 names.</b></p> <p>Today is our first Google+ Hangout! Be prepared by creating your own Google account and adding me as a connection. I will add you to our ‘Circle’. Sign in to Google+ 5 minutes before our scheduled Hangout and you will get a notification to join. Part of your success will be dependent on your participation on these Hangouts, so see you there!</p>	<ul style="list-style-type: none"> <li>- It is important to remind your Coaches to continue reading The Compound Effect. It reinforces the idea of creating a habit of the activities they will be learning.</li> <li>- If you feel like someone is struggling, offer assistance and make sure to give them recognition for what they have accomplished. Recognition is key in helping motivate and making people feel positive and want to continue in the group.</li> </ul>
<p><b>DAY 8: Challenge Groups – The Impact</b></p> <p><b>DAY 9: Earn Money Now</b></p>	<p>Great Challenge Groups start with Great Challengers! Make sure you are using that 5 Step Invitation Guide <a href="http://tbbcoa.ch/InviteGuide">http://tbbcoa.ch/InviteGuide</a> and then continue the process with the Beachbody Challenge Group Guides. The Invitation Guide is a powerful tool; it allows you to find out not only the goals of a person, but also more importantly what's motivating their goals. The deeper the motivation and understanding of the goals, the deeper the commitment to achieving them. Once your Challenge Group is created, commitment will be fueled by the daily accountability, a sense of community, acknowledgment of achievements, building new relationships, support from you and other group members, and increased confidence when results are noticed.</p> <p>So as we start the second week, are you wondering, OK - so how do I actually earn money right now? One of your goals for your first 30 days is to earn enough income to at least cover your own Shakeology right? Watch this short video for the answers you are looking for. <a href="http://youtu.be/FS2zmVmHV54">http://youtu.be/FS2zmVmHV54</a> Have questions? I am just a post away ... go ahead and ask!</p> <p><b>Based on the income goal you have on your weekly Business Activity Tracker, how many Challenge Packs/Shakeology HD orders do you need to sell to hit your goal?</b></p>	<ul style="list-style-type: none"> <li>- Even if you've asked everyone to read through the Invitation Guide and the Challenge Group Guides, it doesn't hurt to do it again. The more your new Coaches understand how to use these documents the better equipped they'll be to succeed with forming and supporting their Challenge Groups. Emphasize the importance of following each step and not just focusing on the sale but on how to help and build the relationship.</li> <li>- Video training is very appealing to Coaches and they can watch them on their smartphone. Subscribe to the TeamBeachbody YouTube Channel and be sure to get familiar with the training videos posted there.</li> </ul>

<p><b>DAY 10: Challenge Packs – Creating Value</b></p>	<p>Why Challenge Packs? Simply put they offer the “complete solution” of Fitness + Nutrition + Support + Rewards = Success. <p><b>DAY 11: Finding People to Help</b></p>	<p>OK, by now you have already invited all your close family and friends to join your Challenge Group, now what? Are you wondering how to keep the momentum going? Remember, back in the Invitation Guide where it talks about F.O.R.M.? Our most successful Coaches are always looking for more people to help and making new friends wherever their lives take them, as well as on the internet. Always keep your eyes and ears open and don’t be afraid to just talk to people! Here are some great ways to expand your list:</p> <ol style="list-style-type: none"> <li>1. Social Media – we’re doing it right now. You’ve got hundreds, possibly thousands of friends on Facebook, Google+, LinkedIn, Pinterest – plus they have friends you could friend!</li> <li>2. Wear and Share – wear Beachbody gear with pride (t-shirts, hats, etc.). Keep your ears open, you’ll start to hear people mention that they’ve heard of, or done “that program.”</li> <li>3. Are you a parent? Do your kids play sports? Are you kids in school? Are your kids in clubs? Every child has parents; connect with them!</li> <li>4. Are you a member of networking groups? If you’re not, join some.</li> <li>5. Do you buy groceries or do any kind of shopping? People are everywhere, be friendly and people will want to talk to you! Want more help? Here you go: <a href="http://tbbcoa.ch/X6Y3S1">http://tbbcoa.ch/X6Y3S1</a></li> </ol> <p><b>Make a list of the things that interest you or your hobbies. Search for these topics in the Facebook search bar. You will see many groups come up in the search. Join a couple, and participate in the conversations and start making friends! Share below the names of a group or groups that you have joined.</b></p>	<p>-When you talk to your Coaches make sure they understand the flow of the process and remind them that they learned about this in the Beachbody Challenge Group Training videos. They first invite people to become friends, then include them in a general health discussion group, and finally invite them to join a Challenge Group when the timing is right.</p>
<p><b>DAY 12: How to Effectively Enroll</b></p>	<p>It is so easy to enroll your friends in the free club membership or have them purchase a Challenge Pack directly from your smart phone! Here is the link to enrolling via the Mobile App <a href="http://tbbcoa.ch/CoachMobileTraining">http://tbbcoa.ch/CoachMobileTraining</a> Of course, you can always show them on the website as well, but always confirm that they are going directly to your own personal TeamBeachbody site. The only way to ensure a quality enrollment is to walk your customers through the process yourself. This gives you the opportunity to provide great service as you help them choose the correct Challenge Pack, verify their order is submitted and processed, and answer questions.</p> <p><b>Upload the Coach Mobile App on your smartphone.</b></p>	<p>- Post the mobile app training presentation document and make sure everyone knows that they can find the document in Web Tools in the Coach Online Office. Remind everyone that the online enrollment steps can be found in the Invitation Guide.</p>

<p><b>DAY 13: Handling Objections</b></p>	<p>Are you hearing objections? Of course you are! If you aren't it means you are not asking enough people! So, let's be real, everyone hears them regardless of how successful your business becomes. In fact, the most successful people are the ones who've received the most objections. The difference between them and people who aren't successful, they've mastered the art of overcoming the objections. The Invitation Guide is a great resource to learn how to overcome common objections; complete with scripts to help you get started. Let's share some of the things you have heard and how you overcame them? Did you use one of the methods outlined in the Invitation Guide like "feel, felt, found" or "I don't know, all I know is?" How did you feel during the process? What was the outcome?</p> <p><b>Make a list of every objection you can think of along with the appropriate response. Post your most challenging objections below.</b></p>	<p>- Remind them to review the objections and situations section of the Invitation Guide for examples and scripts to use.</p> <p>- Emphasize that the more time they spend on Step 2, the fewer objections they will get. Once you learn what people are looking for and your able to show them a solution, price will no longer be an issue.</p>
<p><b>DAY 14 Google +/ Conference Call Recognition &amp; Celebration</b></p> <p><b>DAY 15: Customer Service</b></p>	<p>Yeah Baby! We have made it to our 2<sup>nd</sup> Hangout! Have your Business Activity Tracker in front of you in preparation for the call.</p> <p>Let's begin the 3<sup>rd</sup> week with a video that will truly inspire you to offer nothing but the best customer service you can. <b>DAY 22:</b> <b>Managing Contact            List</b>  <b>DAY 23:</b> <b>F.O.R.M.</b>	Watch the video How to Use the Contact List <a href="http://youtu.be/yIkZdJ3VIWE">http://youtu.be/yIkZdJ3VIWE</a> Are you using the Contact List effectively? <a href="http://tbbcoa.ch/ContactList_2013">http://tbbcoa.ch/ContactList_2013</a> This is a great way to keep track of the friends you have been inviting so you can see where they are in the process.  <b>Print off the Contact List and take the next 10 minutes to add 10 names to the list.</b>  When you meet new people here's an easy way to remember how to connect and build strong relationships – Always follow the F.O.R.M. process. Here is what the “F” and the “O” stands for in F.O.R.M., tomorrow we'll review “R” and “M.” F = Family: Does your prospect have kids, siblings, are they married etc. O = Occupation: What does your prospect do for a living? Asking questions about their family and occupation will help you get to know them better and find ways to connect with them on a deeper level. Need a refresher on how to do this? You can find this process in the Invitation Guide or listen to Elite Coach Mike Ryan as he demonstrates how he does it in the first 15 minutes Beachbody Challenge Group Training Video 2. <a href="http://youtu.be/AkniNiPFgTo">http://youtu.be/AkniNiPFgTo</a> What was one thing you noticed about how Mike F.O.R.M's with a new person?  <b>Make a list of 3 places you frequent where you have the chance to meet new people to FORM. Make it your goal the next time you are there to FORM with at least one new person.</b>	- Consider posting your contact list to show an example of how to track prospects using this tool.  -This topic is broken out into 2 days because it is an important skill to master to make friends. -Share specific stories and use the Mike Ryan example to reinforce how easy it is to just talk to people.
<b>DAY 24:</b> <b>F.O.R.M.</b>  <b>DAY 25:</b> <b>The Catalog</b>	So, it really isn't so difficult! You are just talking to people and making friends. The final 2 letters in F.O.R.M stand for: R = Recreation: What does your prospect do for fun? Do they play sports? Are they in a club? Do they go to the beach or go camping with their family? M = Message: After you get to know your new friend by asking questions about their family, occupation and recreation you can tailor your invitation for them to get their free TeamBeachbody Club membership and join your general health and fitness Facebook page. We all know where it can go from there! So, get out there and F.O.R.M! You will be glad you did!  <b>Make it a goal to FORM with at least one new person via social media today. You can do this simply by having a conversation with a fellow member of a group that you belong to.</b>  The Challenge Yourself Product Catalog is a great way to boost your confidence and make it easy to talk to people about Beachbody. It showcases our most popular Challenge Packs, Shakeology, Ultimate Reset, and a range of supporting products. Pick a new product each week and highlight it on your Facebook wall and in your Challenge Group. Be sure to ask if any of your Challengers are interested in any of these items. If you think that is being too 'salesy', think about the last time you went out for dinner. Didn't your server ask you if you wanted dessert? Well, this is no different! You are just offering them the opportunity to take a look at your 'dessert menu'. Don't decide for them if they are interested. Coaches who offer the full menu can offer the best in customer service making sure to meet all of their customer needs. Take a look in the store, what are some of your favorite products?</p> <p><b>Make a list of the additional products that would compliment your current workout. <p><b>DAY 36: Emerald Status</b></p>	<p>“Believe it’s already complete... and you will complete it.” Post the following affirmation based on your goal date:          “I advanced to Emerald on _____.”          Advancing to Emerald shouldn’t be difficult because you already have some great customers in your Beachbody Challenge Group who are already exhibiting the characteristics of being a great Coach. Here is a reminder about the requirements to advance to Emerald:          -Personally sponsor an active Coach on your left leg.          -Personally sponsor an active Coach on your right leg.          - You and your two Personally Sponsored Coaches meet active status requirements (50 PV).          Watch this video on How to Earn Through Rank Advancement  <a href="http://youtu.be/5tJGQPqE2-Q">http://youtu.be/5tJGQPqE2-Q</a></p> <p><b>Complete the statement “I advanced to Emerald on _____.” And “Advancing to Emerald rank would make me feel _____ because _____.”</b></p>	<p>- Answer questions to make sure everyone is clear on the activity required to advance. Stress the importance of continuing to invite so they have a group of people to pull from as they start talking about sponsoring.</p>
<p><b>DAY 37: Motivational Message</b></p> <p><b>DAY 38: Success Club</b></p>	<p>Need an attitude adjustment? We all do sometimes! Check out this video “The Power of Attitude” and then share a motivational/inspirational message with everyone.  <a href="http://play.simpletruths.com/movie/power-of-attitude/">http://play.simpletruths.com/movie/power-of-attitude/</a></p> <p><b>Post a motivational message by your computer or workstation so that you read it every day. Share it with this group.</b></p> <p>So what’s all this talk about Success Club? Are you wondering what it is all about? It is one of the key goals for the second month so check out the Benefits of Success Club video  <a href="http://www.youtube.com/watch?v=4MNHdw2Y50I">http://www.youtube.com/watch?v=4MNHdw2Y50I</a></p> <p><b>List 5 benefits of Success Club that appeal to you in their order of importance.</b></p>	<p>-Share with the Coaches some of the ways you stay positive. Let them know that you too have bad days, but it is important that you recognize that fact and consciously turn it around.</p> <p>- If you want your Coaches to earn Success Club, be sure you are earning it each month.</p>
<p><b>DAY 39: The True Meaning of Sponsorship</b></p> <p><b>DAY 40: Leveraging the power of the 7-Day Quick Start and the Sponsors Guide</b></p>	<p>Have you ever really considered that you are actually a Coach? What does it mean to sponsor someone and what is the definition of a coach? A great coach leads by building relationships with people. They recognize the potential in others and inspire them to achieve. They affirm, encourage, and have a positive attitude with those they coach. When you hear about an athlete being recruited by coach, you are always impressed. That is exactly what sponsorship is. When you sponsor someone to join your team, you are saying that they are awesome and that you want to include them. It is a great feeling! Have any of you ever had a great coach in your past? What made them great?</p> <p><b>Who inspires you as a great Coach? Go into your Coach Online Office and take a look at the 2013 Elite 10 Leaderboard found under the Incentives &amp; Rewards tab. Choose 5 Coaches from the list and start following them on social media.</b></p> <p>Helping your customers become great Coaches is easy when you focus on getting them started with the right activities immediately. You are really just having them duplicate the same actions that you took when you got started. Take a look at the 7-Day Quick Start Sponsors Guide  <a href="http://tbbcoa.ch/UiFCs0">http://tbbcoa.ch/UiFCs0</a>, it will guide you through the whole process. You don’t have to be perfect, just supportive! Has anyone used the guide already with a new Coach, please share!</p> <p><b>Print off the 7-Day Quick Start Sponsors Guide so that you can have it in front of you when you are speaking to your new Coach.</b></p>	<p>- Think about what makes a great Coach and also what an ineffective Coach is like as well. Look for examples outside of Beachbody coaching.</p> <p>- Confidence is contagious, so it is important that your Coaches feel confident when they start sponsoring.</p>

<p><b>DAY 41: More Ideas for Follow Up</b></p>	<p>Success is in the follow-up! If you want to be more effective in following up you need to think back to F.O.R.M. Before you follow up with someone review what you learned about them during the F.O.R.M. process. If you can connect with them on their interests and goals you'll get a much better response. For example, if I called a new friend and asked straight out, "did you decide if you want to join my group?" vs. "Hi (NAME), how are you feeling? I know you've been busy running your kids all over the place between ballet and baseball practice. Have you had any time to squeeze in a workout?" Even during follow-up remember to build and strengthen your relationships. Personally connecting to your new friends will increase their trust in you and demonstrate that you truly care. What follow up technique did you use recently that worked well for you?</p> <p><b>Take one hour and make as many follow-up calls as possible. Reward yourself when you have hit a minimum of 10 calls.</b></p>	<p>-Share how you approach new friends with a follow-up call or conversation.</p>

I'm not available to answer your call but look forward to speaking with you shortly. Please leave your name and number and I will return your call as soon as I can. Make it a healthy day!"</li> <li>3. Save business expense receipts and purchase a file folder and notebook to save and track your expenses. You'll want to keep track of everything so you will be prepared to work with your tax professional during tax season. This includes business supplies, travel expenses, phone expenses etc.</li> <li>4. Open a bank account specific for your business. This will help you track your earnings and expenses.</li> <li>5. Have dedicated office space in your home.
